

Visible Learning^{plus} Award Scheme

The Visible Learning^{plus} School Awards have been designed to recognise the achievement of education establishments that have made the commitment to embark on the Visible Learning^{plus} journey. There are three levels of school award:

Level 1: Visible Learning^{plus} Affiliate School

Requirements

Your school must have completed the core components of the Visible Learning^{plus} Foundation Series professional development programme (Foundation Day, Evidence into Action I and II).

Benefits of Visible Learning^{plus} Affiliate School Status

- Recognition that the school has started to implement the Visible Learning^{plus} principles
- Recognition that the school is aiming to become a Partner School or Certified School, should it wish to
- Opportunity to use the Visible Learning^{plus} Affiliate School logo on the school's website and letterhead
- Inclusion in the Visible Learning^{plus} online registry of affiliate schools.

Level 2: Visible Learning^{plus} Partner School

Requirements

Your school must have met the requirements for Level 1 and have submitted a case study detailing how it has implemented the Visible Learning^{plus} programme. You must have completed the Foundation Series, submitted a case study and agreed to host a school visit.

Benefits of Visible Learning^{plus} Partner School Status

- Formal recognition that the school has made a commitment to implementing the Visible Learning^{plus} principles
- Signals that the school is on track to become a Certified School, should it wish to
- Opportunity to use the Visible Learning^{plus} Partner School logo on the school's website and letterhead
- An opportunity to celebrate and recognise the efforts of teachers and school leaders through sharing experiences of Visible Learning^{plus} principles via publication of the school case study on the Visible Learning^{plus} website.
- Inclusion in the Visible Learning^{plus} online registry of Partner and Affiliate schools.

Level 3: Visible Learning^{plus} Certified School

Requirements

Your school must that have submitted a portfolio of evidence that meets the standards of the Visible Learning^{plus} Certified School performance descriptors. You must submit an application describing in detail the implementation process used to embed the five strands. The application should describe the why you believe your school is a Visible Learning^{plus} school.

Benefits of Visible Learning^{plus} Certified School Status

- Formal recognition of the school's commitment and progress to continued self-evaluation of the impact it has on student learning
- Opportunity to work in partnership with an accredited Visible Learning^{plus} consultant to prepare your school's application
- Higher profile of school and staff locally and internationally
- The chance to use the Visible Learning^{plus} Certified School logo on the school's website and letterhead
- The chance to celebrate and recognise the efforts of teachers and school leaders
- The option to present practitioner-led sessions at Visible Learning^{plus} conferences and events
- inclusion in the Visible Learning^{plus} online registry of certified schools
