presenter score:
4.9 out of 5

Auditing your MFL curriculum

Ofsted on KS3: key concerns and solutions
Curriculum improvements: planning for impact
KS3 and the new GCSE: joined-up thinking
The EBacc: gearing up for increased uptake at KS4
Your school's assessment model: making it work in MFL

A strong springboard towards the new GCSE

Plan for sustained progress
Ensure the perfect skills/content balance
Promote independent learning
Ensure maximal learner engagement
Spontaneous talk: from wishful thinking to reality
Grammar and creativity: friends, not foes
Use more authentic resources: ways and means

"Excellent course leader, very helpful and thorough. Lots of excellent videos."

Valerie Brest, Enfield Grammar School

"A real tool to tackle the demands of our new KS3. Very structured and very clear. A lot of practical ideas and a lot of food for thought. Brilliant, thank you."

Fabienne Maitrias, Stockport School
