

# HABITS

New  
Course

## How to develop the habits of Outstanding teaching

- Discover techniques that allow you to perform at a consistently high standard
- Combine contemporary theory and practical teaching to develop Outstanding classrooms
- Secure success for both you and your students

### Mark Harris

Mark is a dynamic, engaging trainer and author. His sessions are described as practical, inspiring and memorable. Combining theory, achievable strategies and good humour, Mark is able to deliver training that can be employed the next day as well as providing the framework for delegates to sustain good practice in the future.

### Outstanding research

Incorporate ideas and concepts from leaders in Performance Theory:

- The Power of Habit: Charles Duhigg
- Growth Mindset: Carol Dweck
- High Performance Habits: Brendon Burchard
- Black Box Thinking: Matthew Syed

### Embed theory into effective classroom practice

Create independence, resilience and creativity in your classroom  
Develop automatic responses to important aspects of teaching  
Discover how to coach yourself to acquire great habits  
Step-by-step techniques to sustain high performance

### Proven tools to ensure success

Strategies to create challenge in the classroom

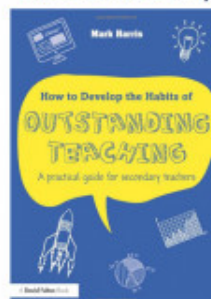

Time-saving approaches to allow:

- more efficient work
- restoration of a work-life balance

Tested methods for differentiation and questioning

Memory techniques for students

Based on his book,

*"Mark Harris is an engaging and enthusiastic trainer. He gets his ideas across clearly and concisely, and he is an expert in the teaching and learning field."*
