John Rees

John is a very experienced and highly regarded trainer who is passionately committed to the personal development of children and young people by supporting professionals who work with and for them to promote reduce inequalities and promote school improvement.

Why character education is still top of the education agenda

Ofsted: how inspectors will judge character development

Funding: the most effective ways to spend the

- Character education grant
- Pupil Premium

Research: how to measure non-cognitive skills, from Seligman to Duckworth and Layard

A guide to assessing character (without testing students)

Define what character is:

- tolerance – independence – creativity
- resilience – curiosity – confidence

Communicate this effectively to pupils, staff and parents

Embed character development into:

- the mainstream curriculum
- extracurricular activities
- co-curricular opportunities (voluntary and community work)

Engage parents as partners in raising resilient children

Encourage teachers to model positive character traits and attitudes

Instil grit into reluctant pupils

Observe and report on pupils' character development

High-impact tools and resources to share with staff

A framework for developing pupil character

Ideas to embed character into programmes of study

Strategies to partner with businesses to bring character alive

Lesson and assembly ideas to:

- promote a growth mindset
- give pupils skills for life

"Helpful, informative & thought-provoking: I have a clearer understanding of character education in my school and how we can measure it."

Andy Jarrett, The Henry Box School
