

How to Lead the Improvement of Teaching

- A busy leader's guide to improving the performance of every teacher in your school
- How to ensure all teachers have an impact on learning (no matter what their teaching style)
- 5 key observation tools revealing what you really should be looking for
- Implement the key to raising the quality of teaching: effective in-house CPD programmes

Mike Hughes

Mike is a highly acclaimed education author and trainer. He is best known for his hugely influential books such as 'Closing the Learning Gap' and 'Tweak to Transform'. Mike has developed a deserved reputation as an innovative trainer and facilitator and is widely regarded as a leader in the field of learning. A former secondary head, he now supports a wide variety of schools in their efforts to improve teaching quality and classroom practice.

The essential guide to fine-tuning teachers in your school

- Identify areas for improvement at whole school, department and individual level
- Employ observation tools to stimulate teacher development
- Turn feedback into information-driven dialogue
- Reveal what makes the difference between ordinary and exceptional
- Develop professional capacity - teachers who can think on their feet
- Embed an improvement culture throughout your school

High leverage tools to bring about improvement and consistency

- Proven, practical strategies for classroom teachers
- Tactics to motivate reluctant teachers
- Strategies to find the key balance of support and challenge

"Practical strategies to take away and apply - from SLT to NQT's."

Lisa Pilkington, Lammas School and Sports College
