**Practical and
insprational
Primary
Teaching**

What is happening in the world of primary mathematics?

- National Curriculum: be sure you are getting the most out of it
- Ofsted: make the hairs on the back of the inspector's neck tingle
- How to help children achieve high standards and mathematical mastery

How to get a class full of resilient problem-solvers

- Consider why some children have problems with maths
- Promote genuine pupil creativity across the maths curriculum
- Instil a love of numbers and calculation in all learners
- Develop inclusive practices based around pupils working in collaboration
- Discover how to take more able children to new heights
- Share ideas to make the most of the daily mathematics lesson

A resource kit for odd moments or full days

- Parental involvement tips
- Hands-on approaches for:
 - physical maths
 - outdoor maths
 - immersive learning
 - enterprise education
- Resources for teaching maths using:
 - stories and poetry
 - movie-making
- Games to motivate children
- Ideas for cross-curricular links

"Lots of really useful, practical ideas to use in the classroom – just what I hoped for!"

Stella Theakstone, Longthorpe Primary School
