Make sure you ask about additional delegate discounts

- Simple and effective strategies to monitor and maximise your students progress
- Develop an inclusive curriculum suitable for the many, not the few
- New and exciting ideas to deliver the subject

Average
presenter score:
4.81 out of 5

Learn to use assessment as a motivational tool for learning

Make assessment a positive learning experience
Understand best practice for the subject
Raise standards: ideas to provide effective feedback
Monitoring progress; meet Ofsted's highest expectations

Creative curriculum planning

- Design schemes of work that excite and motivate students
- Scaffold simple assessment criteria into your planning
- Understand some of the main pitfalls that switch your students off learning
- Maximising progress with less time and resources

Receive practical tools and ideas to take away, including Techniques for embedding self and peer assessment

"Excellent: very helpful, great ideas. I feel as ready as I can ever be."

Sarah Elliott, Peacehaven Community School

"Paul had a superb manner, knowledge and was very approachable – great!"

Angela Mills, St Anselm's College
