

Online Safety 2019: Vulnerable children in a digital world

Presented by **Adrienne Katz**

Adrienne is the author of acclaimed books: *Cyberbullying*, *E-Safety*, and *Making your School E-Safe*. She is a co-author of research on vulnerable children online. She leads a team developing guidance for the Welsh Government and is evaluating a DfE-funded programme run by Internet Matters. Her highly relevant, interactive training is based on her cybersurvey: ten years spent studying the views of over 38,000 young people.

What are schools' online safety responsibilities?

- Latest updates and new approaches: the law, Ofsted, DfE

Improve interventions for vulnerable children

Develop a coherent and joined-up approach:

- Align policies
- Monitor and evaluate practice
- Structure staff training
- Plan a communications strategy

Suitable for
**Primary and
Secondary**

How is online safety changing NOW?

- New ideas on how to deliver online safety
- How young people experience online safety education
- Learn to recognise and deal with high-risk situations
- Ways to support vulnerable children and young people

What you need to know

- How learners have diverse online safety needs
- Three-tier approach – universal, targeted and intensive
- Who are the most vulnerable young people?
- What are they experiencing?

What actions can you take?

- Online safety as an integral part of safeguarding
- Online safety as an integral part of RSE
- Online safety as an Equalities issue

Young people's viewpoint

- Engage young people in new ways
- Explore why they do what they do
- Build learners' confidence in staff
- Improve interventions

"Excellent presentation, interesting and informative - loads of helpful hints."

Susan Juffs, St Joseph's Convent School for Girls

"Fantastic knowledge put across in an engaging way. Lots of ideas to take back."

Kathy Jamison, Darrick Wood Senior School
