❚ **Discover how STEAM-based learning can help children meet the Early Years outcomes**

❚ **Audit current STEAM practice**

❚ **Innovative strategies for STEAM curriculum design and implementation across the learning environment**

NEW Course

Full STEAM ahead:
Ofsted: impact and implementation of STEAM in the EYFS curriculum
Using inquiry to drive STEAM
The latest UK and international Early Years developments

Break away from passive instruction:
Adopt a blended model of learning
Ensure every child has access to the highest-quality opportunities
Use evidence to create knowledge and solve problems
Engage and stimulate children's innate curiosity
'Power up' children's learning

Top resources to support STEAM in practice:
Audit tools and 'next-steps'
Examples for documenting STEAM based learning
Planning for authentic inquiry-based learning

"Very informative and inspirational. Pam validated my thoughts about how effective excellent adult-led conversations are important to building children's learning."
Ashfiya Bobat, Southern Road Primary School

"Extremely informative, with lots of ideas to improve practice in school."
Laura Day, Gravel Hill Primary School

"Pam Mundy has been very informative and the information on recent EYFS changes and policy updates were extremely useful."
Shaleena Laskar, Ellen Wilkinson Primary School
