

# Squiggle Wiggle & Digit Dance

New  
Course

## The long-awaited kinaesthetic approach to stimulate early writing and maths

- A programme proven to raise standards in 6 of the 17 early learning goals
- Dance your way to success and balance play-based learning and a formal curriculum
- Cost-effective and fun ideas for implementation

### Shonette Bason

Shonette is the Mary Poppins of motivation for Foundation Phase practitioners! She is also an international motivational speaker, published author, and current EYFS practitioner. What Shonette offers is inspiration, motivation and cost-effective ideas for Early Years and primary teachers. Listening to Shonette is an experience not to be missed!

### Uncover the theory behind the fun

Use R.E.A.D. brain-based learning to encourage reading out loud  
Clarify the real meaning of 'mark-making for a purpose'  
Unpick the latest research behind kinaesthetic learning

### Steps for a generation of J.K. Rowlings and Carol Vordermans

Uncover the main aspects of the writing and maths processes  
Create a smooth transition from mark-making to handwriting  
Encourage children to develop co-ordination and build muscles  
Monitor children's development alongside other early learning goals

### A toolkit to embed the Squiggle and Digit approach everyday

- Activities to encourage developmental progress
- Weekly literacy and numeracy plans
- Strategies to engage reluctant learners
- Templates to record and monitor progress
- Tools to differentiate and assess

*"I can't wait to get back to the classroom and concentrate on the children again instead of stressing about the pressure."*
