

# Success with Linear A Levels: Government and Politics

New  
Course

- Successfully teach the new linear A level
- Step-by-step guide on delivering Outstanding lessons
- Achieve success through a carefully planned programme of study

## Gary Walker

Gary was a Head of Politics for 10 years and is now a Head of Sixth Form, where he advises Politics undergraduates, and others, on university applications. As a specialist in UK politics, he believes the key to Outstanding lessons is to instil a passion for politics through challenge in the classroom that builds towards examination success.

### Deliver the new A level with confidence

New Edexcel and AQA specifications  
Effective strategies to prepare students for linear assessment  
Develop critical and analytical thinking skills

### An effective step-by-step programme

Plan Outstanding lessons every time  
Structure effective examination responses  
Transform A grades into A\* grades  
Empower students to become confident, independent learners  
Practical advice on supporting aspiring Politics undergraduates  
How to bring out the 'political animal' in your students  
Create students who are fluent in the 'language of politics'

### Proven strategies for success

Nurture independent learning  
Strategies for outstanding teaching and learning  
Top tips on achieving examination success  
Techniques to help students achieve their highest grade possible  
Best ways to support students with planning their future

*"Gary Walker – brilliant, really knew his stuff."*

Rachel Urben, Sir William Perkins School for Girls
