

Teaching Assistants: Maximising your impact

Presented by Jill Morgan

Jill is a former teacher who has worked with TAs in the UK and USA for the past 20 years. She sees the passion TAs have for their work, so her job satisfaction comes from helping them develop their potential as the perfect support for teachers and students.

presenter score:
5 out of 5

The key aspects of maximising impact

Unpick the most current research into the work of TAs

Know What Ofsted will be looking for

Maximise your impact in

- small- group interventions
- whole-class setting

Contribute to a self-improving, school-led system

Topics covered:

How to scaffold student learning
Motivate students to engage fully in the learning process
Effective questioning and feedback
Develop students' conceptual understanding/independence
Behaviour management
Safeguarding requirements
Support the more able as well as low attainers
Key elements of your professional relationships with teachers

"Thought provoking and informative. The course makes you question your own practice, as well as showing you that what you currently do is right."

Charlaine Duncan, Jersey College for Girls

"Jill was wonderfully informative, knowledgeable and made the course a fun day."

Tiffany Bell, Kings House School
