

Top GCSE Grades for Students with SEN

Take students on the fringes of failure to exam success

- Discover how to combat GCSE reforms that disadvantage students with SEN
- Summarise new grades and boundaries in each subject
- An SEN resource bank to teach the most problematic subjects

Clare Stockley

Clare has worked across a range of settings from mainstream schools to special and specialist residential provision. As a SENCO, Clare has a broad range of skills such as setting up student support groups, leading staff CPD, pupil premium tracking and inclusive practice. Her areas of expertise encompass personalised interventions for complex needs, multi-sensory and communication approaches and also autism strategies.

GCSE reforms: A summary to prepare for 2017/18 exams

- Unpick key changes in each subject
- Clarify the new number grades and boundaries
- Know the best pedagogies for teaching pupils with SEND
- Prepare pupils for the new linear exams

Steps to prepare students with SEN for the academic demands of KS4

- Replicate an innovative nurture programme
- Effectively apply data to inform needs-focused teaching and learning
- Foster mindfulness and emotional intelligence
- Implement an effective CPD plan for staff
- Work with parents to improve students' progress

Must-have approaches that make a difference

- Strategies to improve recall skills for students with SEN
- Techniques to develop literacy skills for students with a wide range of disorders
- Information and guidance for parental support at home
- Example revision sessions that students can't wait to sign up for
- Methods for successful peer tutoring
- Advice for adjustments for disabled students
