**£299 + VAT**

Make sure you ask about additional delegate discounts

- ♥ **New marking and grading systems in KS2 Maths**
- ♥ **Ensure pupils progress towards mastery**
- ♥ **Practical tools to tackle test questions with a secure approach to reasoning and problem-solving**

**New  
Course**

**Complete guide to the tests:**

The new standardised scores for SATs  
What to teach: fluency, reasoning and problem-solving  
Examine typical test rationales, structure and content  
Enable pupils to tackle the tests with confidence  
How to link between different content areas

**The optimum balance (Ofsted): practice and teaching and learning:**

Develop 'pupils as mathematicians' (Ofsted)  
Embed high and effective standards into teaching  
Questioning techniques to encourage mastery  
Make maths relevant to the full ability range

**Top toolkit to implement in your classroom:**

Exemplar question bank  
Rich activities that develop key knowledge of:

- Number
- Measurement
- Geometry
- Statistics

*"Easy to listen to! Variety of practical activity, discussion and information sharing – excellent"*

Kathy Moore, Cherry Burton Church of England Primary School

*"Ray is extremely personable, really puts everyone at ease and pitches perfectly."*

Jo Kercher, Stag Lane Junior School
