Visible Learning: Leadership

Professor John Hattie

John Hattie is an internationally acclaimed education researcher, recognised as a master at figuring out what helps pupils to learn. He has written multiple best-selling books.

Dr Peter DeWitt

Dr Peter DeWitt is a Visible Learning consultant, acclaimed author and former headteacher. He offers international insight into collaborative leadership, inclusive school climates and instructional leadership.

Laura McWhinnie, Regional Director, Osiris Educational

Laura is the Visible Learning^{plus} Director in the UK and has significant knowledge of leading schools in challenging circumstances through successful Ofsted, HMI and LA inspections. This is aided by her ability to translate strategic visions into successful practice.

Join Professor John Hattie and Dr Peter DeWitt as they make sense of the latest research on leadership. Together they offer practical insights into which leadership action work and which block school improvement.

Ten years of research, implementation and impact of Visible Learning has led to some remarkable findings from around the world.

Old models and practices of leadership are debunked. Long-held beliefs challenged by new evidence. Together Professor Hattie and Dr DeWitt will offer practical guidance on leadership practices that are proven to bring lasting improvement.
