

Improving School Attendance

Presented by Professor Ken Reid OBE

Ken has spent a lifetime working in the field of truancy and attendance, and was recognised in 2010 with an OBE for Services to Education. He is a regular contributor to the TES and other educational publications, and has written countless articles, research reports and books. You offers the latest knowledge and practical tools to use immediately.

Manage difficult pupils including:

- occasional absentees
- persistent absentees

Employ attendance panels constructively

Receive best practice strategies and techniques to implement straight away

"It is always useful to come and refresh our approach to attendance and what we can do to continue to improve."

Michele Spencer, Star Primary School

"It was good to discuss the issues and strategies. Ken was passionate, experienced and answered all questions."

Paul Hellier, Hilbre High School
