❝ **Understand expectations for pupils working at the pre-key stage standards**

❝ **Tailor your teaching and provision to meet pupils' specific needs**

❝ **Make teacher assessment judgements with confidence:**
   - **Reading**   - **Writing**   - **Mathematics**

NEW legislation Changes

Be the first to understand the changes to statutory assessment:
Make sense of the latest documentation
NEW pre-key stage standards
Reading, maths and science frameworks

Adopt a flexible approach to assessment:
Understand how to use exemplification materials
Use cross-curricular evidence to make judgements
The seven aspects of engagement approach:
   - responsiveness   - curiosity   - discovery
   - anticipation   - persistence   - initiation   - investigation
Strategies to teach reading, writing and maths as single subjects and   across the curriculum

Prepare for a moderation visit
Understand changes to the moderation of writing
Receive a range of moderating activities to use in your classroom
Use example assessment materials to influence moderation planning

"I found the strategies and ideas given to support children as a result of lessons learnt from last year invaluable."
Janet Latham, College Park Infant School

"Very informative and good resources provided. I feel I am able to walk away able to refer back to the resources provided."
Selina French, Derwentwater Primary School
