📌 **The science of memory:**

Which teaching methods ensure maximum retention and recall

📌 **Learning by heart:**

Making a positive change to your pupils' ability to remember

📌 **The art of memory:**

How actors remember their lines, and techniques from classical Greece and Rome

**Popular
Course**

The science of memory

How to structure your lessons to maximise learning
Enable pupils to remember what they have been taught
How assessment can be used to aid memory

Memory: from ancient to modern

The spoken word:
- why Socrates worried about the effect of writing on memory
- understand the importance of the spoken word
How the Ancient Greeks and Romans used memory
Learn the art of remembering a speech
The art of memory as used by magicians
Learn techniques used by actors in the theatre

Practical tools, strategies and first-hand evidence

How good memory techniques can help exam performance
Know how different techniques work in different contexts

"Superb. Martin was an inspiration, extremely knowledgeable/enthusiastic, creative and approachable. He far exceeded my expectations."

Rebecca Youens, Burnham Grammar School

"Friendly, helpful and passionate about the subject. Lots of knowledge and I felt comfortable asking any questions."

Kelda Jevon, Moorside High School
