Using research evidence to embrace uncertainty:

- John Hattie
- EEF
- JONK model of learning

Motivate, enthuse, challenge and inspire every child, from Early Years to Year 6:

- Develop opportunities for children both within and beyond the classroom
- Dramatically reduce the 'word-gap'
- Embed the JONK Lifelong Learning dispositions and behaviours:
 - Curiosity - Strategic Awareness - Resilience
 - Collaboration - Metacognition - Creativity
- Develop children as enthusiastic and intrinsically motivated learners

Re-energise and transform teaching, learning, pedagogy and leadership using a JONK culture

"The JONK Model of Learning introduces all students and staff to the concept that in order to learn something new, we must not know it first. This is a transformational concept, in terms of mindsets, that enables all learners to become self-aware that being at the not-knowing stage' is an essential pre-requisite to all new learning and not a sign of failure or of not being able to do things."

- Marcelo Staricoff
